Spacious and bright apartment in the center of Vélez Málaga

As the capital of the Axarquía, Vélez Málaga is the largest and most important city in the region, for history, culture and wealth.

On the coastline there have been several towns that from a traditional seafaring or agricultural activity have become centers of sun and beach tourism, such as Torre del Mar or La Caleta.

From Vélez, you have direct access to a Mediterranean life with all the comforts without paying the premium of seats on the coast.

This bright and spacious property is perfect for a young local family who wants to live in the centre of town on a budget.

We present an apartment located on a third floor outside, with three bedrooms, living room, kitchen, balcony and a bathroom. All the space you need with a convenient location with access to shops,
