Building plot of 400 m² located in a residential area of Benamocarra (Málaga).

According to the municipal planning, a building with a total area of 900 m² can be constructed, distributed over several floors.

Attached to this plot, there is a rustic land of 2800 m² (included in the price), which is currently under development for changing land use from rustic to urban, as it appears in urban planning, with the initial approval of the City Council.

Without doubt an excellent investment for the future.
