Welcome to Jardines de las Lagunas in Mijas!

Welcome to Jardines de las Lagunas! Following the success of the first phase, this exciting promotion returns with 292 homes distributed across 4 blocks of 76 and 70 units each. These new homes have been enhanced and tailored to your needs, offering a highly optimized product for your comfort and well-being.

Housing Options:

- 2 Bedrooms: From €337,900 to €380,100
- 3 Bedrooms: From €427,400 to €599,000

- Prime Location in Mijas:

Las Lagunas is the most modern, commercial, and active area of Mijas. This newly developed locality is establishing itself as the best residential alternative on the Costa del Sol, thanks to its

excellent communication, climate, commercial offerings, and unbeatable value for new build properties.

-Exteriors of Jardines de las Lagunas:

The promotion is part of a master plan that includes the development of several residential complexes, parks, and a new commercial area. Just a few minutes' walk away, you will find the ambitious Gran Parque de la Costa del Sol, a 350,000 m² space where leisure and sports combine in a natural setting.

In addition to its prime location, Jardines de las Lagunas offers spacious common areas designed for family enjoyment. Relax and refresh in the beautiful pool surrounded by lush gardens. The little ones will have their own fun space in the children's play area, while you take care of yourself in the sauna or maintain your well-being in the gym. Here, you will find everything you need for a balanced and happy life.

-Quality Features of Jardines de las Lagunas:

The residential complex offers spacious apartments with 1, 2, and 3 bedrooms, as well as impressive 3-bedroom penthouses with large terraces to enjoy the Mediterranean climate year-round. This new phase includes underfloor heating in the bathrooms, providing a warm and cozy atmosphere. Additionally, the residential area will be equipped with surveillance cameras to ensure your safety and peace of mind, allowing you to live with complete confidence.

Key delivery date: first quarter of 2025
